8500D - PROCEDURE FOR THE COLLECTION AND PAYMENT FOR CHARGED MEALS

It is the responsibility of the parents to provide for lunch for their children while at school. However, it is important to provide that children receive the nutrition they need to stay focused during the school day. This procedure shall apply in the event that a child neither has a lunch nor the funds to purchase a lunch.

A student's parents, teacher, and Principal will all be notified of the delinquency in the student's account each time it is necessary for the student to charge a meal to give the parents time to send a check or cash to school with their child.

At the discretion of each Principal, a school or private service fund may be established to pay for student's charged meals, rather than to offer the alternative meal. The Nutrition Services Manager will work with each Principal to determine a payment schedule for these meals.
